

Sprout Success with a Garden for Wildlife Native Plant Fundraiser!

A Better Fundraiser!

- Sustainable product with **educational benefits** – science, art and history!
- Your supporters are **already buying plants from somewhere else!** Have them support you instead!
- Gardening has benefits for both **physical and mental health** as well as fostering **social connections!**

Program Highlights

- **Turnkey program** – easy to implement, easy to manage! No begging for volunteers!
- **No cost, no commitment** fundraising program
- Customers can **buy native plants and gift cards directly from Garden for Wildlife's** online store; **no handling of the product** required!
- Your friends and family **across the country** can buy plants and/or gift cards using your code
- We've done the **creative work** so you don't have to!

Two Fundraising Options

Need a Garden & Money?

Blossoms & Bucks:

Earn 10% of sales using your unique code up to \$3000; at \$3000, GFW will donate a native plant garden of approximately 150 plants; earn 15% of sales using your unique sales code above \$3000 while your campaign is live

Need Money?

Seeds of Success:

Earn 15% of sales using your unique code while your campaign is live; the more you sell, the more you earn!

Let's Get Growing... Together!
